

District 5's Secretary Mike Shannon Introduction to the Tentative 5 Year Work Program Public Hearing

Welcome to the Florida Department of Transportation's District Five Tentative Five-Year Work Program Public Hearing for the Fiscal Years 2020 through 2024.

District Five covers the East Central Florida region which includes Brevard, Flagler, Lake, Marion, Orange, Osceola, Seminole, Sumter, and Volusia Counties.

This website will allow you to review the tentative five-year work program and submit comments.

Thank you for your participation.

And remember to slow down in construction zones, so everyone can get home safely.

This online public hearing will begin December 10 and will end December 14.

Public comments will be accepted until December 24.
